

Rules for Online Internet Safety

Never give out any personal information such as your full name, address, phone numbers or school name.

Rules for Online Internet Safety

Only use a computer when an adult is nearby.

Rules for Online Internet Safety

Tell an adult right away if you come across anything that upsets you or makes you feel uncomfortable.

Rules for Online Internet Safety

Never send a picture of yourself to a person that you don't know, or haven't met.

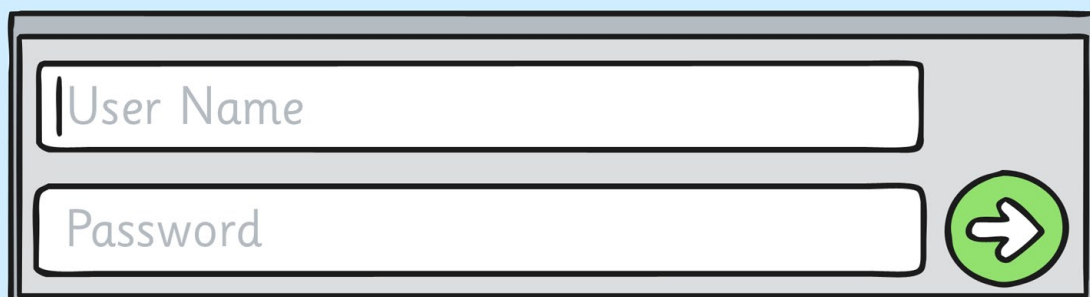

Rules for Online Internet Safety

Never arrange to meet someone whom you have met through the Internet even if you think you know them well or they seem really nice.

Rules for Online Internet Safety

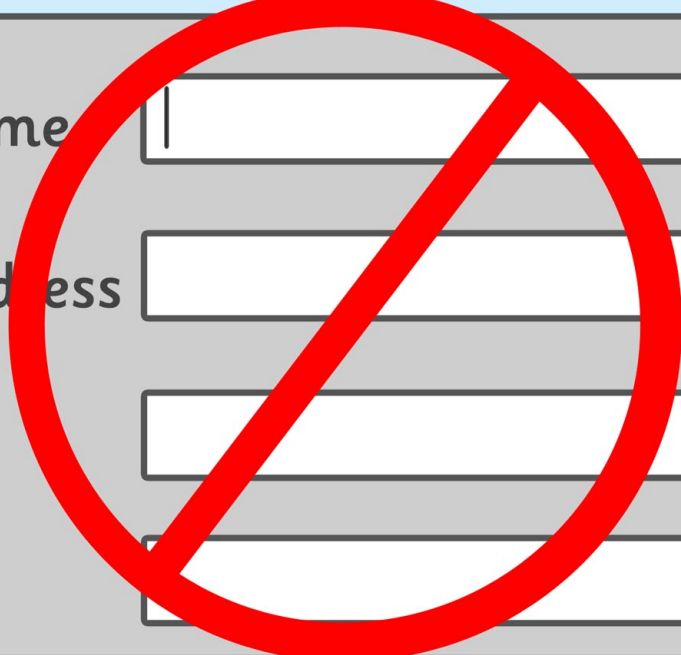

Never give out your passwords to anyone (even your best friends) other than your parents.

A stylized illustration of a login form. It features two white input fields with black borders. The top field is labeled 'User Name' and the bottom field is labeled 'Password'. To the right of the 'Password' field is a green circular button with a white right-pointing arrow. The entire form is set against a light blue background.

Rules for Online Internet Safety

Don't fill out forms online without asking an adult first.
