| <p>English</p>  | <p>During literacy this term, Base 7 are going to be focusing on writing a character and setting description. We will be focusing on using a range of grammar to paint an image inside the reader's mind. We will complete our character and setting description on <i>The Black Hat</i> story. Then, Base 7 will move on to planning and writing their own dilemma stories. We will be focusing on description within our writing! After this, Base 7 will build on their knowledge built throughout the term to write about a legend story on 'Sir Gawain and the Green Knight'. The children will learn about the difference between a myth and a legend.</p> |
| <p>Maths</p>  | <p>During maths this term Base 7 will be focusing on place value. This will involve Base 7 securing their understanding of the value which numbers can hold. We will then move onto looking at addition and subtraction, where the children will explore a number of methods. The children will become secure with the column method and learn how to use the inverse to check answers. Finally, throughout this term we will have a large focus on times tables. We will begin by ensuring that our knowledge of 2s, 5s, 10s, 3s, 4s and 6s are secure, before we start to look at our 7s and 8s.</p> |
| <p>Science</p>  | <p>This term Base 7 will be focusing on Animals Including Humans. The children will study the circulatory system, learning about the basic components that make up blood, how the heart works and how the blood circulates round the body. After that, we will look at the lungs and the process of breathing and investigating the effect of exercise on the heart and breathing rates.</p> |
