TEAGUES BRIDGE PRIMARY

THE BEATING HEART OF THE COMMUNITY

Dear Parents and Carers,

DANCE WORKSHOP

Base 7, 8 and 9 enjoyed the dance taster sessions this week. We are running a dance club after school on a Tuesday. This will start after half term - 5th November - 10th December. There is a cost of £4.00 per session to cover the cost of the dance teacher. There are 20 spaces available for children from Year 1 - Year 6. The dance teacher will teach a variety of dance styles and children will then produce their own dance routine to share with parents during the last week. All places for this club have now been filled. We will run this club again in the Spring term, so if you didn't get a place this term we will add you to the list for Spring 2025.

ATHLETICS:

Base 4 and Base 9 really enjoyed the athletics competitions this week, their behaviour at the event was outstanding. They competed against many other schools and all children were enthusiastic and tried their very best - Many thanks to Mr Hale, Mrs Slater and Mrs Marson for taking the children and thank-you to the children for your superb behaviour and attitude.

HARVEST:

Many thanks for all the Harvest donations. These are being collected today by Erin from the foodbank and I am sure she will be so pleased with the amount that has been donated. You have all been very generous and this will help someone in need.

ATTENDANCE:

Please remember to contact the office if your child is off ill and also if it is a prolonged illness, the office will ask for evidence to support this. This is not that we don't trust you, it is needed for their records and it's important that we see the medication in case of any emergency.

Have a great weekend!

Mrs S. Abdulla

THE BEATING HEART OF THE COMMUNITY

Year 2 Athletics

On Wednesday 16th October 2024, some children in base 4 took part in an athletics morning along with other schools. The children had great fun taking part in a wide range of events from running, throwing and jumping. The children represented the school very well and made us very proud!

Year 6 Athletics Competition

On Tuesday 15th October, some children from Base 9 took part in an inter-schools athletics competition. The children competed in a wide range of events, including running, obstacle, relay and javelin. All of the children were very supportive of their team mates, giving them encouragement and cheering them on. The children fought hard in events that were of a very high standard.

"It was very tiring and noisy but lots of fun!" Jayden

"I enjoyed the competitive running!" Britney

This week in Turtles Class.....

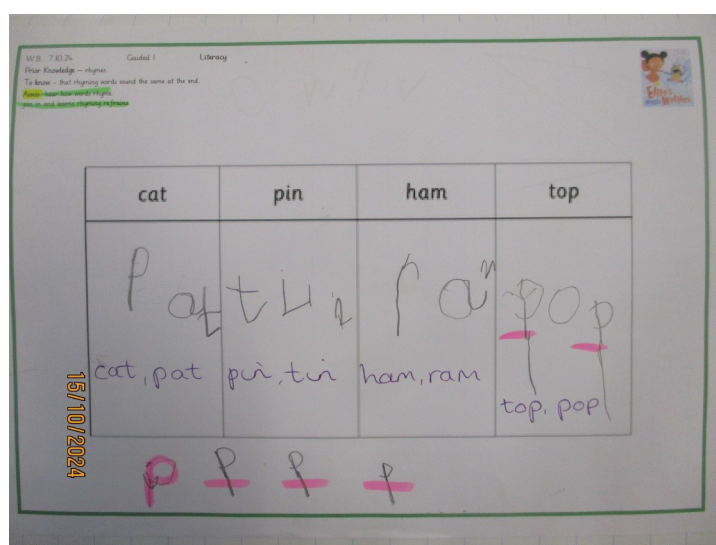

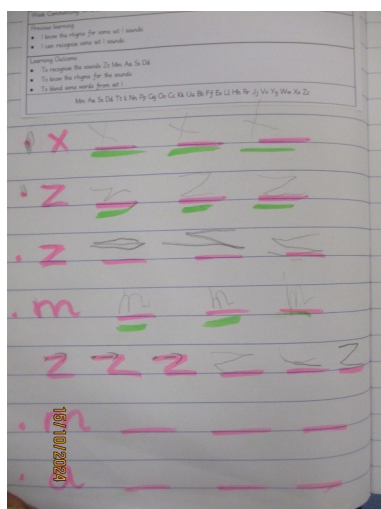

In base 1 this week our focus text has been 'Ellies Magic Wellies'. We went on a welly walk to the local lake and saw some swans.

We have also been learning about harvest through painting pictures of fruit and vegetables and creating our own pumpkin patch.

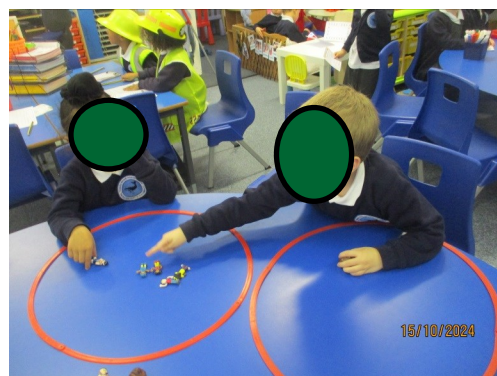

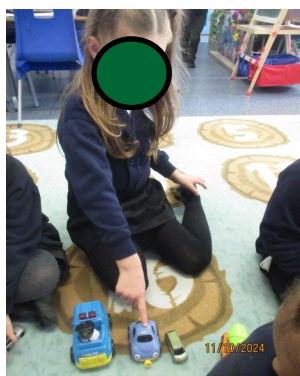

In Read Write Inc this week we have been learning our new sounds from set 1.

In Literacy we have been exploring why questions and learning what rhyming words are.

In maths we have been sorting objects into size order, finding what group of objects has more or less and our ten town number of the week is 7.

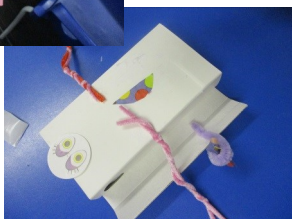

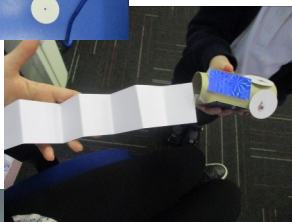

This week in Starfish.

In literacy, we have been reading the book called, 'Ellie's Magic Wellies'. We started the week by going on our own welly walk around Trench Pool. We saw lots of lovely things, swans, ducks and explored the changes that happen in Autumn.

In maths, we have been adding and subtracting. We have been using the part/whole model to help us and using this to also find the missing number in number sentences.

In literacy, we also created our own strange creature, like the one that Ellie finds in a puddle in the story. We have used adjectives to describe our character.

In history, we have been exploring the changes in toys. We have looked at how changes happen and placing the changes on a timeline.

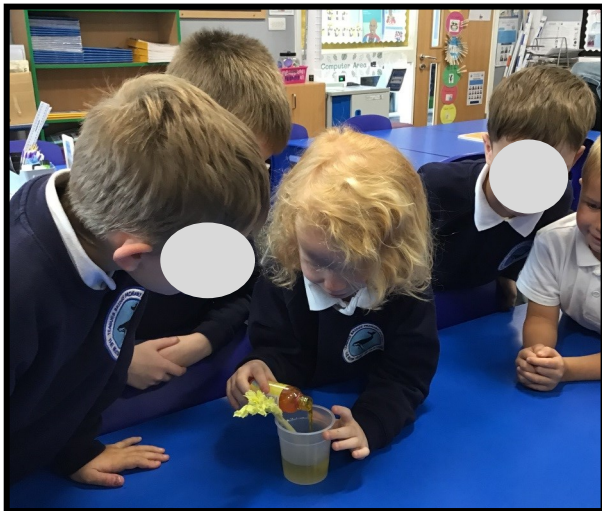

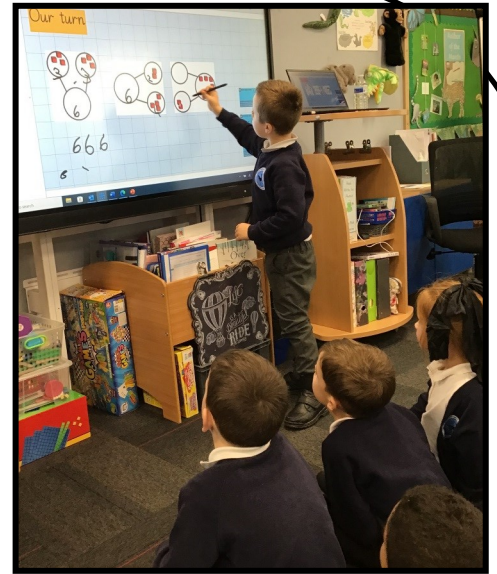

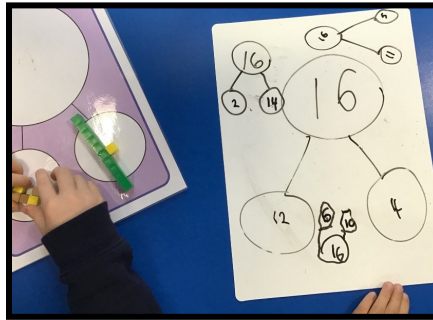

This week in Seahorses..

Maths

This week in maths, we have been learning about addition and subtraction and the different ways we can

split whole numbers to understand the basics of addition to get them back together using part-whole models in different ways.

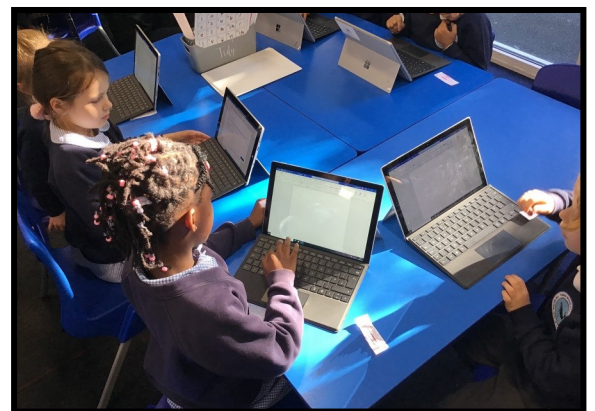

Science

In science, we have been learning about living things and the life processes with the help of MRS GREN. We know that animals are living things, and we have learnt that plants are too, following our observation of celery with food colouring and seeing it take the coloured water up to the leaves.

STREET DANCE

Workshop

Last week the children got chance to take part in learning to street dance! They loved the experience!

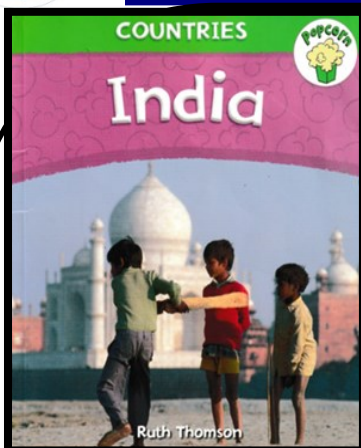

Computing

In computing we have learnt how to use the trackpad to open a previously saved file.

This week in Dolphins...

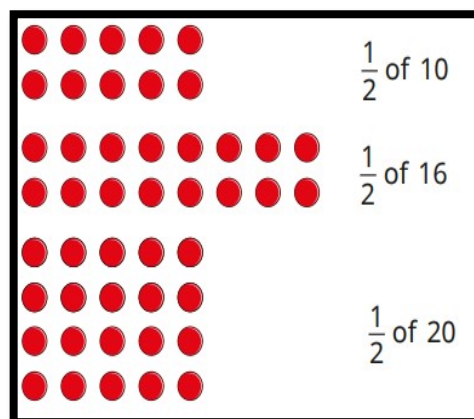

Literacy

This week in literacy we have continued to learn about non-chronological reports. We have used all of our learning to plan and write our own non-chronological reports. We used our learning to ensure we included all the key features and remembered our punctuation in our independent writes.

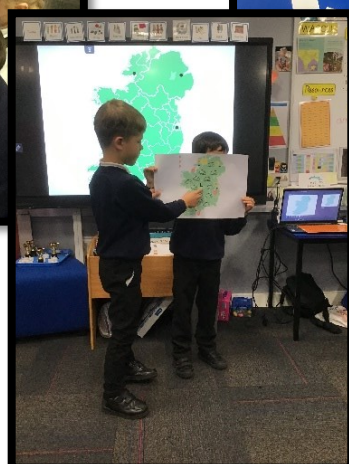

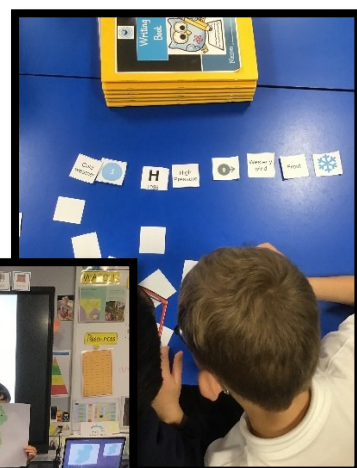

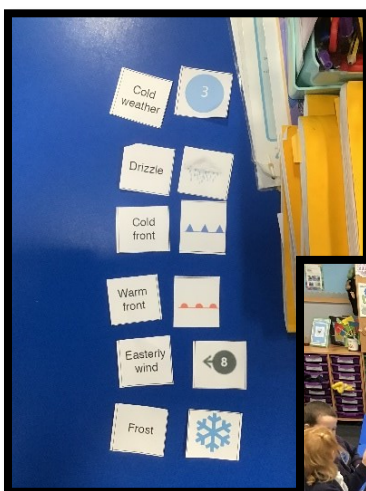

Maths

In maths we have begun our learning on fractions. We began by revisiting recognising equal groups and then moved on to finding a half using arrays to help us.

Geography

In geography this week, we learnt the symbols for recording weather for a weather forecast. We then played 'Matching Symbols' memory game to find matching pairs of the symbol to its meaning. Next, we looked at how a weather presenter on the TV reads the symbols in front of them to read the weather forecast, before finally becoming weather reporters ourselves!

Homework of the week award

We have introduced a new award for Friday's award assembly.

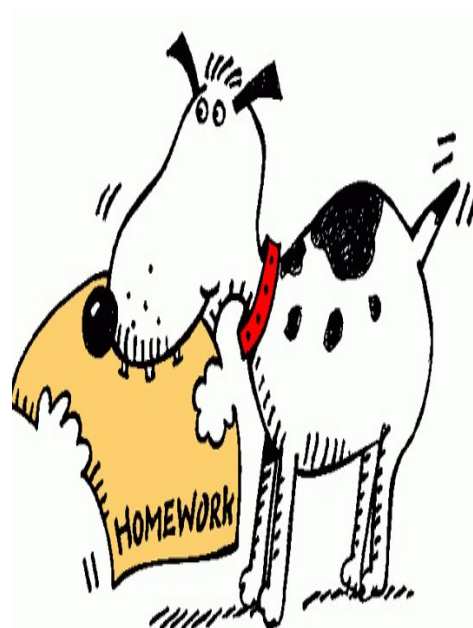

This is in recognition of the fabulous homework most of our children produce. It is also to show the importance of doing homework.

We need to ensure that children are equipped to be able to complete homework, as a school we are looking at our homework offer and adapting it to meet the needs of the children.

The most important homework your child can complete is reading, this opens the doors to all other learning in school and in life.

Each Base has nominated two children for this week's homework of the week award

Turtles	Savannah-Grace	Antoni
Starfish	Noah	Rahnia
Seahorses	Willow	Oscar
Dolphins	Maya	Leyla
Seals	Matilda	Leon
Swordfish	Arjan	Maya
Beluga's	Harry	Emma
Octopi	Grace	Natalia
Sharks	James	Ellysia

Star Player of the week award

On Monday, Thursday and Friday, all children have PE. This is delivered by the Crossbar coach. The coaches have recently introduced star player of the week from each base. This is because of the effort they make and the sportsmanship they show. Please see the children chosen for 'Star Player of the week' award this week.

Turtles	Miran
Starfish	Charlie
Seahorses	Brendans
Dolphins	Toby
Seals	Leon
Swordfish	Dara
Beluga's	Annabelle
Octopi	Alfie
Sharks	Jacob

Friday Awards

Our Awards Assembly takes place on a Friday via Microsoft Teams. Children were awarded with their certificates in class. Please see below a list of the children who have received awards this week.

Base	Star of the week	Worker of the week	Whale Rules Champion	Respectful Rangers	Handwriting Heroes	Punctual Panda	Best attendance
1	Dara	Gabriel Zirwa	Obie George	Hope	Rory	Miran	Nicholas
2	Ellie	Logan Millie	Bella Lottie	Charlie Ethan	Neda	Molly	Evelyn
3	Alfie	Ava Clark	Simran Cooper	Nathan Bridget	Nathan	Eric	Iris
4	Aria	Dominic Ellie	Toby Michelle	Jenson Heidi	Sohaib	Harry	Theo
5	Lexi	Alaya Sophie	Jazmine Kevin	Joey Jenaya	Manveer	Alan	Harrison
6	Indi-Rae	Jax Dara	Corbyn Jared	Olly Prisha	Harry	Essa	Ivy
7	Erin	Annabelle Pradeep	Rosie Amelia	Freddie Freya	Ella-Rose	Lacey	Harrison
8	Louie	Nikola Aryan	Kyra Jake	Lilly Sean	Kendall	Tillie	Layla
9	Lexi	Lucas Isla	Bella-Rose Jacob	Ajai Sienna	Kacey	Jakub	Michal

Best class attendance this week:

KS1 - Starfish- 97% - FANTASTIC

KS2 - Sharks - 100% - PERFECTION

What impact can music have on our lives?

In the news this week

Following a ten-year campaign, music exam boards have announced they will now be including Sikh sacred music, also known as Kirtan, on their syllabus. It will be examined alongside violin and percussion instruments. The campaign to get the music recognised was led by Dr Harjinder Lallie, the co-director of Birmingham-based Gurmat Sangeet Academy.

Things to talk about at home ...

- > Have you ever learnt to play a musical instrument? Would you like to?
- > What type of music do you like listening to? Ask others at home what they like to listen to. Is it the same as or different from what you like?
- > Can you think of times when we listen to music or make music with others?

Please note any interesting thoughts or comments
