TEAGUES BRIDGE PRIMARY

THE BEATING HEART OF THE COMMUNITY

Dear Parents and Carers,

CHILDREN IN NEED:

Friday 15th November we will be raising money for children in need. Children can dress up in their own clothes, sports wear or anything of their choice. If your child is wearing non-uniform can I ask you pay £2.00 via Parent Pay. All money raised will go straight to Children in Need. Children will be taking part in a range of activities during the day.

POPPIES:

I would like to thank everyone who has purchased poppies from school. We had to order extra items to sell because so many children wanted to buy the poppy products. We sold three trays of products. Thank-you to you all for your generosity. I know funds raised will help support a very good cause.

DATES:

- 11th-15th November ~ Inter-faith week.
- 14th November ~ Base 5 children ~ Kwik cricket (5 girls and 5 boys).
- 15th November ~ Children in Need ~ Dress up day ~ £2.00

ATTENDANCE:

Please ensure you are familiar with the new attendance policy, this was sent out to you at the end of the summer and again in September. It is also available on the school website. If you cannot find it and would like a copy please e-mail the school office: A2191@telford.gov.uk. It outlines all the new changes particular with regards to the request for leave in term time and unauthorised absences that can also lead to a fine.

DOGS:

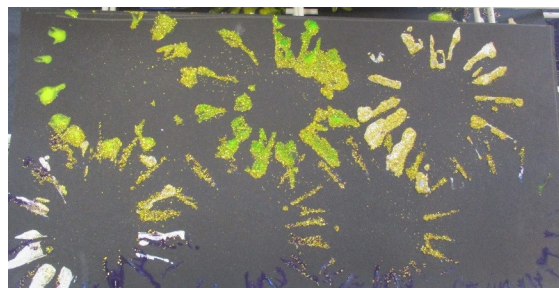

No dog should be on the school premises at any time, whether on a lead or being carried. This is part of a school policy. Please adhere to this.

This week in Turtles Class.....

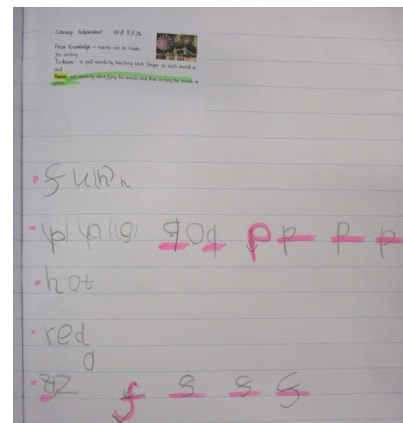

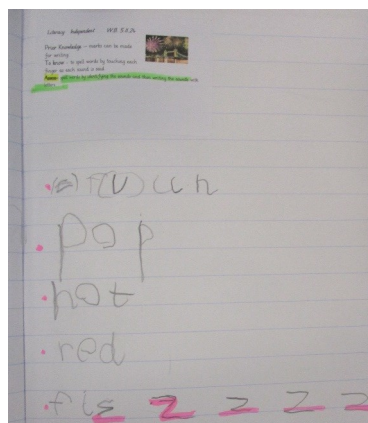

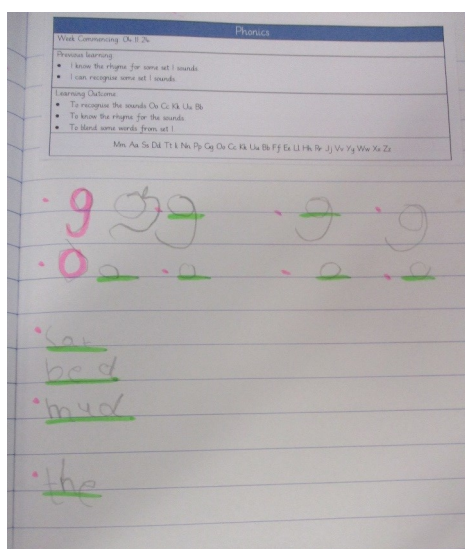

In base 1 this week our focus has been looking at Remembrance, Diwali and Bonfire Night. We have created some firework pictures, rangoli patterns and we made our own collage bonfires.

In Read Write Inc this week we have been learning our new sounds from set 1.

In Literacy we have been writing some words using the sounds we have been learning in our phonics. We have been reminded to use our Fred fingers and pinchers to find the sounds in the word.

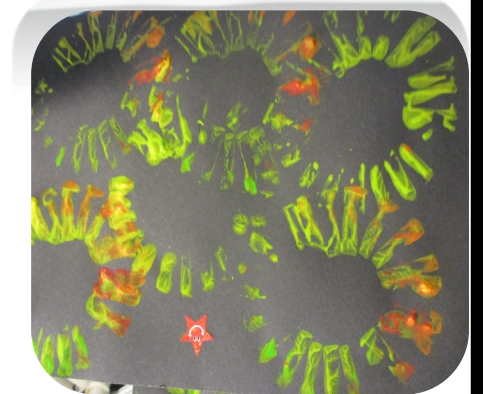

In maths we have been on a number hunt to find numerals 1-5 and understand the value of the number and we have been using our cutting skills to match objects showing 1-5. Our ten town number of the week is 2.

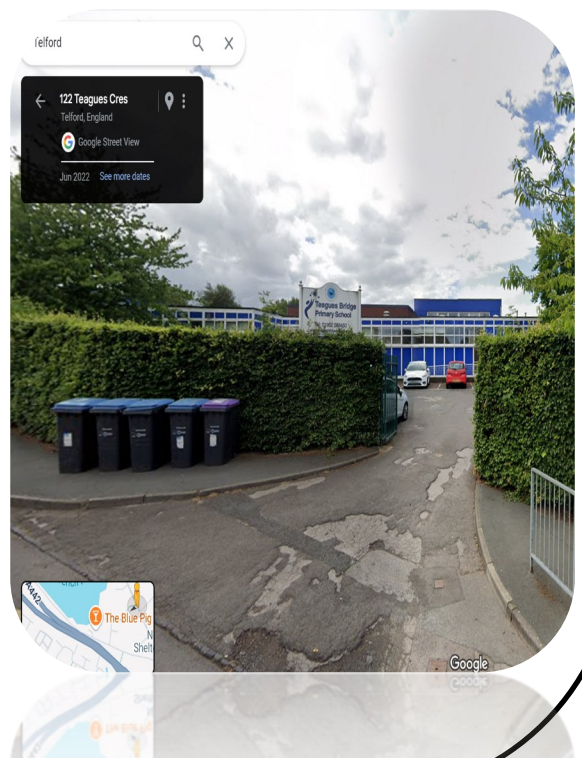

This week in Seahorses

In literacy, we have been learning about Bonfire Night. We found out information about it and wrote our own wanted poster for Guy Fawkes. We then created our own fireworks pictures using toilet roll tubes!

In maths, we have been learning about fractions, specifically halves. We have been finding half of a shape and half of a quantity .

In Geography, relating to Bonfire night, we have been learning about our local area. We know that the Houses of Parliament are in London and that is the capital of our country. However, we have been learning about Telford and our local area. We found some landmarks that we know and plotted them on our own map.

Literacy

This week in literacy, we have been building our poetry knowledge and have started to create our own verses for our class war poem, in readiness to complete our independent poems next week.

We also created our own poppies for remembrance week.

Art

Before half term, the children completed their final art pieces, using repeated patterns and

Maths

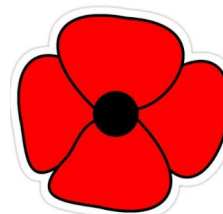

In Maths children have been learning to measure Time. They learnt to tell the time o'clock, half past, quarter past and quarter to. They learnt the difference between the minute hand and the hour hand, and that when the minute hand makes it's way around the clock face, the hour hand goes slowly to the next hour. Children enjoyed showing times on their clocks.

enjoyed showing times on their clocks.

Literacy

In Literacy children have been learning the story Peace Lily. A story about a girl called Lily who wanted to be a nurse. Her dream becomes real when she takes the brave decision to follow her childhood friends, soldiers Ben and Ray, to the dangerous battlefields of Western France. Children have been learning about all the roles

that women have played in World War I, including working in factories, on farms and nursing. Children are continuing their knowledge of non-chronological reports, by writing an information text titled "Women's Roles in WWI".

History

To immerse into our new history study, the children enjoyed creating a fireworks display outdoors using water! We then created firework paintings back in the class to see the vibrant colours of fireworks. During the memorable experience, we asked the children whether they celebrated bonfire night, if they were going to see the fireworks later and if they knew why bonfire night was celebrated and who Guy Fawkes was before revealing our big question... Was Guy Fawkes a hero or a villain? We also completed a series of activities to secure our understanding and recall upon prior knowledge before diving into our new history study of the Gunpowder plot. First, we labelled the United Kingdom with its 4 countries and the capital city of England. Then, we annotated our understanding of the role of a Monarch. After, we took turns deciding new laws and how we would use them to run the country with. Finally, we compared images of London in the 1600s and modern London.

Homework of the week award

We have introduced a new award for Friday's award assembly.

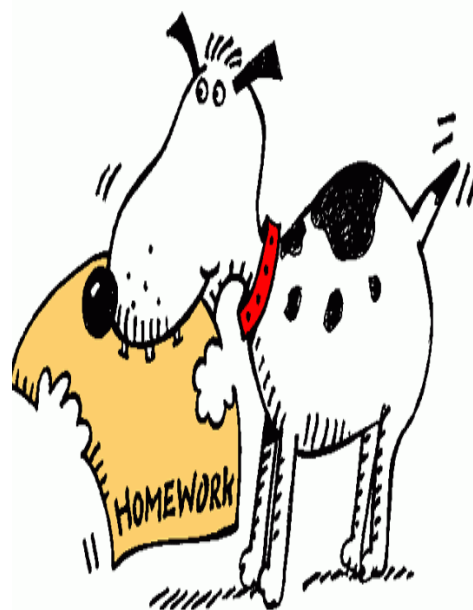

This is in recognition of the fabulous homework most of our children produce. It is also to show the importance of doing homework.

We need to ensure that children are equipped to be able to complete homework, as a school we are looking at our homework offer and adapting it to meet the needs of the children.

The most important homework your child can complete is reading, this opens the doors to all other learning in school and in life.

Each Base has nominated two children for this week's homework of the week award

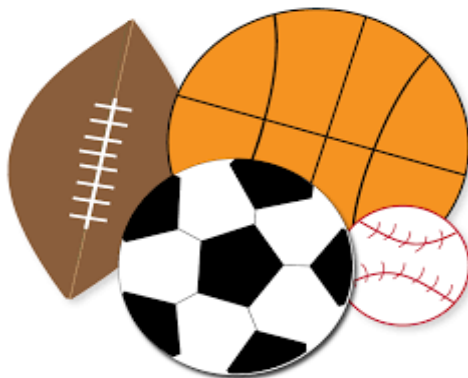

Turtles	Miran	Daria
Starfish	Charlie	Esmæe
Seahorses	Cooper	Oliver
Dolphins	Chloe	Willow

In the news this week

This year, Anti-Bullying Week takes place on 11th-15th November with the theme, 'Choose Respect'. As part of the week, Odd Socks Day is on Tuesday 12th November, with odd socks being worn to celebrate what makes us all unique. There are many other ways schools are raising awareness and taking action to tackle bullying, including several pupils working towards becoming Anti-Bullying Ambassadors.

Things to talk about at home ...

- > What do you know about Anti-Bullying Week?
- > This year's theme is 'Choose Respect', what is your definition of respect? Ask others at home.
- > This week's story explores the role of Anti-Bullying Ambassadors. Do you think this a good way of tackling bullying? Can you think of any other strategies?

What impact can bullying have on a community?
