TEAGUES BRIDGE PRIMARY

THE BEATING HEART OF THE COMMUNITY

Dear Parents and Carers,

EVENTS THIS WEEK:

Football competition Base 4

10 of our year 2 boys from base 4 took part in a football competition yesterday at AFC Telford. They had a fabulous morning, were extremely well behaved and really enjoyed themselves. They were absolutely amazing and their football skills were fantastic. Many thanks to all the boys that took part.

RED NOSE DAY:

All the children took part in the red nose day today.

Everyone looked delightful in their red. Children took part in activities in their classes and had a really enjoyable day. There was a great atmosphere in school.

SWIMMING SUMMER TERM:

Swimming will take place during the summer term. It will not be at Oakengates due to the pool being closed. We are going to Shortwood. We only have a short session. The following classes will be going base 7, 8 and 9, and this starts Thursday 18th April. We will then ensure that base 5 and 6 have sessions after half term

Key Stage 1 Football Event

On Thursday 14th March, some children from base 4 took part in a football workshop at AFC Telford. During the session, the children learnt new football skills and worked with children from other primary school. The children enjoyed the session and represent the school so well!

Healthy Snacks In School

At Teagues Bridge Primary School we follow the government guidelines for promoting healthy eating in school. This is for break-time snack and not dinner-time.

- Fruit or vegetable sticks such as cucumber, carrot, pepper
- Rice Cakes
- Breadsticks
- Low sugar cereal bars
- Plain yogurts or fromage frais

Healthy snacks
provide fuel for
healthy minds
and bodies.

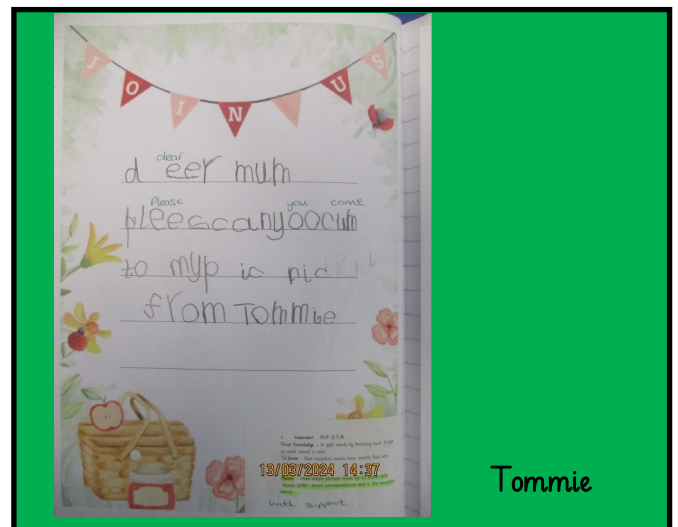

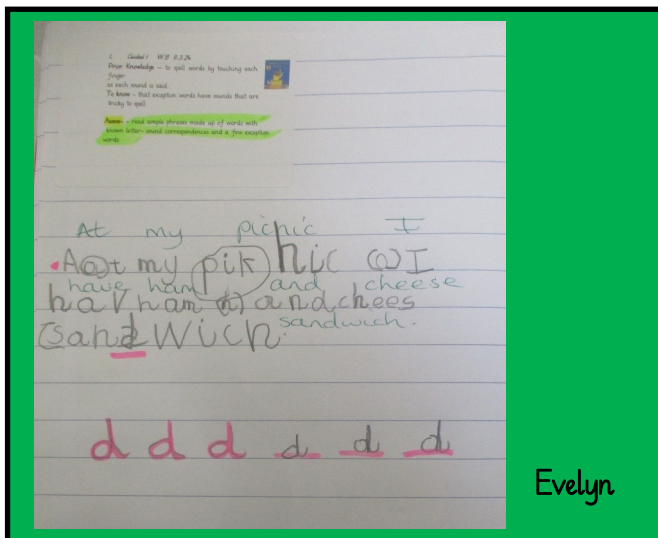

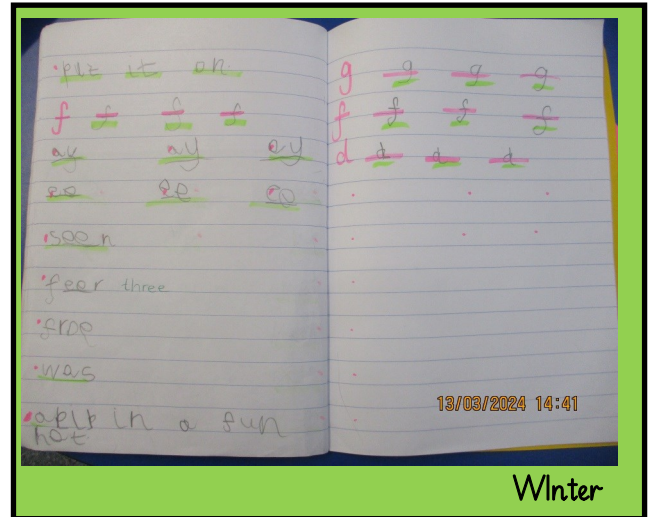

This week in Turtles Class.....

In Turtles this week we have been exploring a story called 'Whatever Next' by Jill Murphy. We absolutely loved this story and focused hard on creating our own space missions in the role play and the tuff tray and made our own picnics with our friends. We drew pictures of our missions and spoke about them using full sentences.

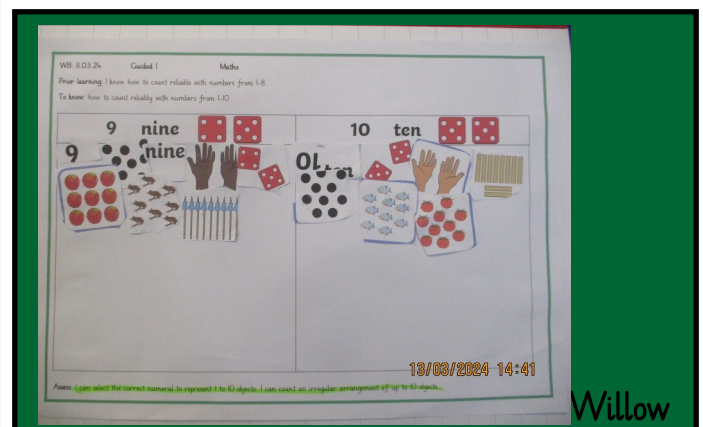

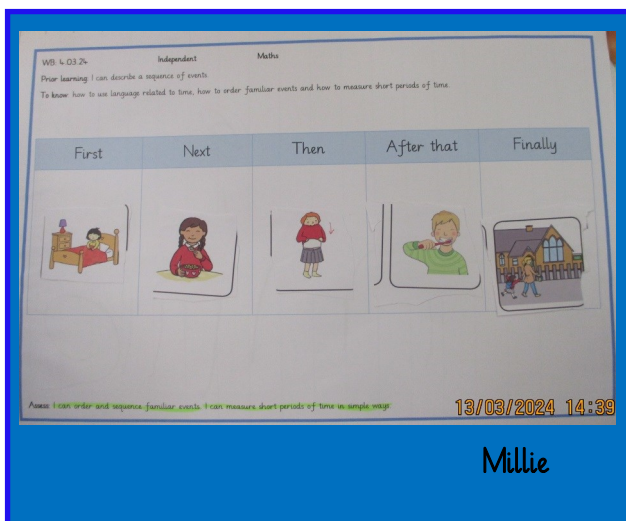

In Literacy we have been writing our own invitations to our picnic using tricky red words and making sure we are using capital letters, full stops and finger spaces.

In Read Write Inc this week we have been learning our new sounds from set 1 and set 2 and writing spellings,

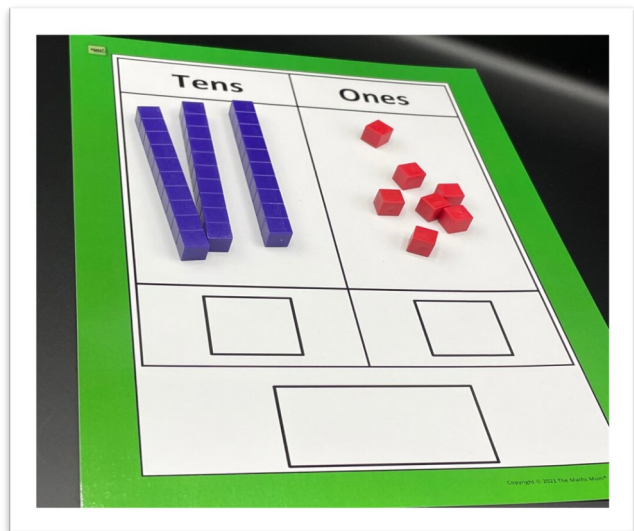

In maths we have been exploring ten town to understand, recap and form correctly our numbers 1-10. We have worked hard on our cutting skills understanding our order of the day and showing how we represent numerals 9 and 10.

This week in Starfish..

In literacy, we have been reading the book called 'Whatever Next'. We have been ordering the events in the story and we have also made our own rocket. This is in readiness for us to write our own invitation for a picnic on the moon like bear and owl have.

In maths, we have been learning our numbers to 50. We have been ordering numbers and looking at the place value of numbers. We have talked about how to partition a number into tens and ones.

We have learnt all of our phonics sounds now and are recapping to ensure we are secure with them all. We are making sure we can identify them in words and read them.

This week in Seahorses..

Literacy

This week in Literacy pupils have continued to learn about the information text Why do we eat? Pupils used their knowledge to write their chance to shine before moving on to our focus of writing a setting description based around The Great Fire of London and the book Vlad.

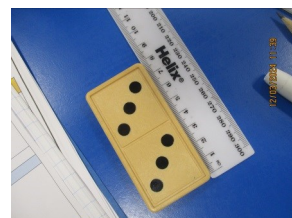

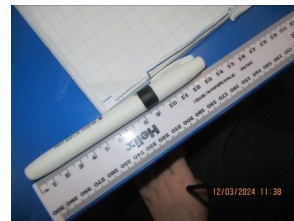

Pupils have learnt about the suffix endings er and est for comparative language.

Assessment Week

This week we have taken part in assessment week. The children have worked really hard to answer all their questions and use their previous knowledge to answer the questions. The children have been really positive about the experience and have done so well.

Maths:

In maths, we have been learning how to measure using rulers and metre sticks. We have learnt that when we measure with a ruler we need to start at 0cm and that a metre stick is the same as 100cm. We have learnt that when we measure with a metre stick it is used to measure larger areas.

 EXCITING
 fireworks → old lady
 FUN X kind → Thump → I
 → → → Necessary → all day
 → → → Wonderful → telescope
 → beautiful → big
 big black cat → Super

Then Ronaldo sent msg to the little girl. Ronaldo said he was afraid of the dark rain. The little girl said rain is necessary. Ronaldo the son nearly slept all day. Then Ronaldo met a man with a telescope. The man smiled with the telescope said rain rain is wonderful and he asked Ronaldo is he would (would) like to watch the stars with me. Then finally he went to the cat and said I am afraid of rain. Ronaldo said to cat cat said rain is beautiful! then Ronaldo said son is Super!

In literacy we have continued our work on 'The Owl who was afraid of the dark'. We created a talk plan and learnt to tell the story. We then used this to help us to write our own versions of the story. Our chance to shine writing was fabulous and we really enjoyed writing our stories.

In maths we have been learning about multiplication. We have been making and drawing arrays to help us solve multiplication calculations. We then used them to solve multiplication word problems and reasoning problems.

Hot Chocolate Friday!

Today we held our Hot Chocolate Friday! The children joined Mrs Abdulla and Mrs Woods for a hot chocolate. The children were nominated for being respectful. Well done to them and we look forward to seeing who will be nominated next week!

Well done to Lucas, Annabelle and Darwin!

Homework of the week award

We have introduced a new award for Friday's award assembly.

This is in recognition of the fabulous homework most of our children produce. It is also to show the importance of doing homework.

We need to ensure that children are equipped to be able to complete homework, as a school we are looking at our homework offer and adapting it to meet the needs of the children.

The most important homework your child can complete is reading, this opens the doors to all other learning in school and in life.

Each Base has nominated two children for this week's homework of the week award

TAKEHOME

In the news this week

Many families travelled to Glasgow for an event that claimed to channel the magic of Charlie and the Chocolate Factory. On its website, Willy's Chocolate Experience, guaranteed chocolate fountains, performances by Oompa Loompas, and interactive experiences, with tickets priced at £35 per person. Visitors were greeted by rows of large empty tables and walls of black fabric separating different, almost empty, spaces. Upon facing crowds of disappointed ticketholders, organisers decided to cancel the two-day event after the first morning.

Things to talk about at home ...

- How do you think visitors to the experience might have felt when they realised the experience differed from what they expected?
- Can you think of a time when something didn't go well, even though you tried or thought it would? How did you deal with it?

What's the best way to handle disappointment?
