

# SAFEGUARDING at TEAGUES BRIDGE

SAS (Safe and Secure) Crew are the children's representatives from year 5 and 6. They are there if you have a concern or a worry that may be making you feel unsafe in school, at home or in the community.

They have had training and have been chosen because they are responsible, trustworthy, approachable and empathetic. They will listen and respond appropriately.

SAS Crew are available Monday to Friday at 12.15-1.15

Outside, under the canopy. They are also available every break-time.
