OUR SHARED PROMISE

Home–School Agreement

Working in partnership so every child feels safe, valued and inspired to achieve.

Our shared commitment

We, the adults responsible for children at home and at school, want each child to have their needs provided for; to be kept safe and healthy; and to be treated with respect and care. Each child is special and unique.

We will encourage children to work hard, behave appropriately and take pride and pleasure in their own and others' achievements.

We will work together in partnership to help our children become confident and enthusiastic learners who have aspirations for future success.

"Reach for the moon, even if you miss you will land amongst the stars."

We have read and discussed the shared expectations and the Whale Rules in this agreement. We will work together to support learning, kindness, safety and respect.
